## **Prospectus: 2020 – 2021**

**Our College monogram depicts the Tree of Enlightenment which roots itself to the Earth and yet aspires for the sky. This Tree represents our institution perpetually growing in size and strength. The scholar's silhouette symbolizes wisdom attained through discipline and learning under the Tree of Enlightenment. "EXCELSIOR", meaning "EVER UPWARD", is hence the motto of the college.**

## **An Introduction**

Government College Rhenock was established in the year 2005 amid the serenity of the hills in Rhenock, a small town in the East district of the state of Sikkim. The main objective of the Government of Sikkim in establishing the college was to fulfill the higher educational needs of students belonging to rural areas, from every corner of the state and beyond, with its promise of a peaceful and conducive study environment.

The college is affiliated to the Sikkim University and is a co-educational college offering BA(Honors), B.Sc. (Honors) and B.Com (Hons.) Programs. The college is situated 3 kms uphill from Rhenock, a small town in the East District of Sikkim. It is an emergent town with good road connectivity to Gangtok, the capital of Sikkim, to Rongli and Pakyong, both sub-divisions of East District and to Kalimpong, district in the adjoining state of West Bengal.

The academic culture of the college is vibrant and student-centric. The college faculty members are well-qualified and committed to curriculum development and innovation besides initiating various extra curricula activities and involving themselves wholly in the process of institution building. The college has wifi enabled campus, spacious smart classrooms, language lab, geography lab, computer lab, psychology laboratories and a bus to ferry students from nearby areas.

### **OBJECTIVES:**

The institution is committed to becoming a center of academic excellence and provides an ideal platform for higher learning, since its inception. In specific terms, the aims of the college are stated as follows:

- To provide quality education at degree level to students from diverse background.
- To develop balanced personality of learners by integrating physical, mental, and intellectual aspect.
- To promote and develop leadership quality in the students.
- To produce graduates with good character and personality.
